Lieutenant Veilleux—Others Show Leadership During Tragedy

Recently I was once again given an opportunity to observe the professionalism and dedication of our public safety professionals. A recent tragedy in which two young people lost their lives proved once again that the Town of Winslow's Law Enforcement Officers and Fire and Rescue Personnel are second to none. Lt. Veilleux took command of the scene and every responder present knew exactly what was expected of them. Det. Sgt. Henderson, SRO McGowen, Off. Lefferts, and others did an amazing job as well as Chief LaFountain and his professional crew. Police/Fire Chaplain Wayne Denny provided invaluable strength and support to all involved. Our hearts go out to our community affected by this tragedy and we hope that our public safety professionals continue to take care of themselves and persist in providing the citizens of Winslow with the protection and service they have come to expect.

Sergeant Fleming Gives Back Through Instructing

Since graduating from the Maine Criminal Justice Academy in 2009, Sergeant Fleming has returned to the academy as often as possible to assist in the training of new officers. During the month of October alone, Sergeant Fleming instructed the Basic Law Enforcement Training Program in OUI Detection, Field Sobriety Testing, Intoxilyzer operation, and Mechanics of Arrest, Restraint and Control. Sergeant Fleming was also recently asked to instruct all of the State of Maine Driver Education Evaluation Program (DEEP) Instructors. I am often asked by academy training coordinators if Sergeant Fleming is available. I believe Sergeant Fleming is a great example of the caliber of police officer of the Winslow Police Department.

Officers participate in No Shave November

I was recently approached by several members of the Winslow Policemen's Association asking if they could participate in a fundraiser. The Winslow PA is a non-profit charitable organization which puts 100% of their proceeds back into the community through donations to: Big Brothers Big Sisters, Winslow HS Scholarship, Dirigo Boys/Girls State, Project Graduation, Winslow Youth Hockey Baseball and Softball teams, local families in need, and others.

Several officers who are members of the WPA approached me and asked to participate in "No-Shave November." Organizations have participated in this for many years and have helped many charities with the most common charity being the fight against Cancer. The association members have all agreed to donate money individually and, in addition, the association has agreed to match their individual donations. The members of the Association are hoping to raise at least \$500.00 for food baskets for Winslow families in need. So I hope that when you see a bearded officer in November you will remember that he is wearing his beard for a good cause.
